Invites to

INTERNATIONAL SCIENTIFIC CONFERENCE

„INNOVATIONS IN PACKAGING, FOOD SAFETY, AND WASTE MANAGEMENT”

The conference will take place on **October 6–8, 2026**, in a coastal town near Koszalin. The exact location of the conference will be announced in Announcement No. 2.

The event will serve to present the latest trends and challenges in packaging, primarily in the food industry.

The goal is to bring together the academic and industrial communities: specialists in the fields of food technology and safety, plastics processing and recycling, waste management, and suppliers of innovative technologies.

The following thematic sections are planned:

1. Modern Packaging, including the 2nd Koszalin Food Packaging Workshop
2. Food Safety
3. Recycling and Waste Management

Detailed information about the conference will be posted on the website:
<https://www.tu.koszalin.pl/konferencja>

Secretary of the Organizing Committee

Ph.D. Monika Sterczyńska

Chair of the Organizing Committee

Professor Tomasz Rydzkowski
